BRIEF INTRODUCTION
What is this project / what is on this page? Room for a more in-depth discussion of the project is provided below in the "about" box.

SOCIAL MEDIA ICONS / LINKS

QUESTIONS AND ANSWERS (OR PROMPTS AND DISCUSSION)

About accessibility

QUESTION / PROMPT
Accessibility versus mobility

The question/prompt would be the only text visibile on each box.

Assessing accessibility

BOX IMAGE
Each box would feature an image related to the box concept.

Overcoming barriers

[+]
Each box is expands to reveal an answer, or a discussion, of the box concept.

Achieving accessibility

Land use

Revising governance

Financing accessibility

As with the "answer boxes" above, the "interact" and "about" boxes would be expandable to show a larger amount of content.

INTERACT [+]

FORUM CONTENT
Depending on forum service, a place to display recent forum threads and/or a link out to the forum itself.

TWITTER FEED

ABOUT [+]

PROJECT OVERVIEW
Discussion of project motivation and goals.

PEOPLE / NETWORKS INVOLVED
Authors, funders, institutions, groups.

Questions

Will the questions/prompts we launch with remain the same throughout the life of the project? Do we need to plan to accommodate more (or less) in the future? Should we use questions or prompts to entice users?

Can we get great, relevant, photos for the questions/prompts?

What do we show in interact and about boxes when they're minimized?
